Press release, Berlin : May 25th 2012.

Retro-perspective is the celebration of one year existence of Kartüche gallery. Therefore, we will present almost all of the artists who already exhibited in the gallery with an artwork by each one, yet unexhibited. Moreover, we gonna present four new artists as the startpoint of an upcoming collaboration; Stefan SCHRÖTER, Kwanyoung JUNG, Latifa SAYADI and Xristos FOURIKIS. Aim of the Retro-perspective exhibition is to show the panel of our evolving artistic guidelines at a glance.
